By the time you receive this Newsletter we will have had another Artist in Residence at Nature in Art. What a privilege it is to have our meeting place at Nature in Art and for our President Simon Trapnell to include us in the museum's events. Thank you, Simon.

Membership renewal becomes due on the 1<sup>st</sup> March, (more details below) but if you are thinking of applying to become a full member the next application date is .... **(Deadline for applications).**

2018 has been a difficult year for the GSA committee due to illness etc. We really need another committee member as we are at least one short. I must thank the committee members for standing in for others during illness but the time has come for new members to come on board and lighten the load. If you are interested or know of someone who would like to join then please let me know as we are approaching the AGM on March 18<sup>th</sup>. [roseharve@outlook.com](mailto:roseharve@outlook.com) Tel: 01452 521770.

Or at 69c, London Road, Gloucester, GL1 3HH

Looking forward to the year ahead with the GSA.
